PLAY ONSIDE

COMING SOON · IPHONE

KNOW WHO'S REALLY COMING.

Plan the game with your crew, see who's on the way before the first ball, and sort the pub after. No more "yeah, I'm in" from someone who never shows.

READY TO PLAY?

12 SAID YES. 6 TURNED UP.

Group chats can't tell you who's really coming. Play Onside can.

During the week

Plan it

- Start a circle for your crew
- Poll for the best time
- Everyone says in, maybe or out
- Full? A waitlist moves up by itself

Game day

Show up

- Check in: on my way, late, here
- Weather for the ground
- Directions in one tap
- Team sheet and field from the captain

After

The debrief

- Who turned up, kept honest
- Player of the match
- Duck of the day 🦆
- Pub or food? Vote and go 🍻

PLAY ONSIDE

HOW IT WORKS

FROM "WHO'S IN?" TO THE FIRST BALL.

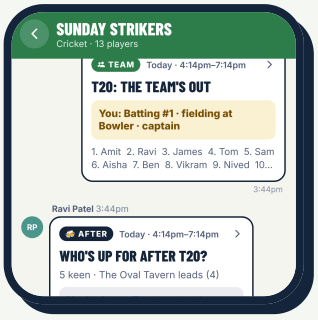

1 START YOUR CIRCLE

Your regular crew in one place. Share the invite code. Keep it private, or let nearby players find it and ask to join.

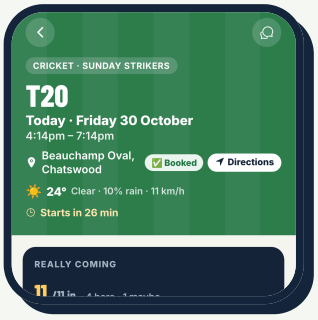

2 PLAN THE GAME

Pick the day, the ground and how many you need. Everyone answers in, maybe or out, right in the chat. The captain can nudge the quiet ones.

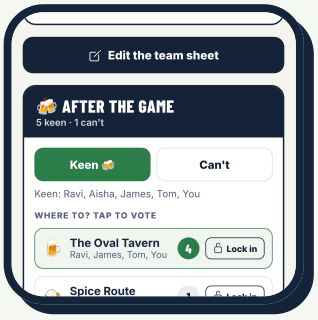

3 GAME DAY

Check-in opens 30 minutes before. See who's here, who's on the way and who's 10 minutes late. Weather and directions included.

4 AFTER THE GAME

Mark who turned up, vote player of the match, and pick the pub. Everyone keen gets a ping with directions.

CAPTAINS: START YOUR CIRCLE.

Free for players aged 18+. Play Onside never books grounds or takes payments: you stay in charge.
